Pursuant to Ohio Rev. Code §4903.22.1 and Ohio Admin. Code §4901-1-11, the Ohio Energy Group (OEG) files this Amended Memorandum in Support of Motion to Intervene.

OEG is a non-profit entity organized to represent the interests of large industrial and commercial customers in electric and gas regulatory proceedings before the Public Utility Commission of Ohio ("Commission"). OEG's members who are participating in this intervention are: Ford Motor Company, Griffin Wheel, International Steel Group Inc., PPG Industries, Inc. and The Proctor & Gamble Co. These companies purchase large amounts of electric power services from Columbus Southern Power and Ohio Power Company. Therefore, the interests of OEG's members may be directly affected by the outcome of this proceeding. The interests of OEG cannot be adequately represented by any other party. OEG intends to play a constructive role in this case and provide information which will assist the Commission.
