PETITION FOR A REALLOCATION OF TERRITORY

Submit four (4) copies of petition and associated boundary maps and/or overlap sheets indicating proposed reallocation reallocation.

Electric Supplier: Ohio Power Company
Address: 850 Tech Center Drive, Gahanna, OH 43230-6605
Location of Reallocation:
PUCO Map No.: K 17 Effective Dates: April 22, 1981 (D.R.E.)
County: Morrow Sept. 28, 1983 (OpCo.)
Township: Harmony

Reason for Reallocation: The lots in the subdivision known as VanSickle Farm, are laid out in such a way that the existing boundary lines cuts through 12 of the existing 26 lots. The boundary line needs to be reallocated so that a better underground service plan may be provided by the electric suppliers, and to eliminate potential confusion on the part of both the customer and suppliers which could result from having different suppliers intermingled within the same section of the subdivision.

Description of Reallocation: On map K 17, in Morrow County, Harmony township, starting at the existing boundary line 400 ft. west of the intersection of Co. Rd. 170 and Co. Rd. 25, thence running north 1092 feet adjacent to the property line of lot # 3. Thence west 1295.84 feet along the north property lines of lot # 3, 4, 5, & 6. Thence north 300 feet along the east property line of lot # 14. Thence west 1142.96 feet along the north property line of lot # 14. Thence 3004.37 feet north along the west property lines of lots # 15, 16, 21, 22, 23, & 24 where the new boundary line meets the old boundary line.

Are affected customers aware of and in agreement with the proposed reallocation? Yes
