SUBJECT: 94-1451-CT-AMT USA Mobile Communications, Inc. II

On 9/14/95, the Commission approved this application for a merger between USA Mobile Communications, Inc., II and Premier Page, Inc. Under this application, the operations of Premier were merged with the operations of USA Mobile, and USA Mobile continued as the surviving corporation. USA Mobile currently operates under Certificate No. 90-5526, and the approval of this application did not change this certificate.

In the docket card of this case, it indicates that Certificate No. 90-5528 was issued to USA Mobile Communications, Inc. II. This is in error. Certificate No. 90-5528 is assigned to Youngstown Cellular, and 90-5528 should not have been issued to USA Mobile.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
