APPLICATION FOR APPROVAL OF A NEGOTIATED AGREEMENT
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

Doylestown Telephone Company hereby files the attached agreement dated March 1, 2005 ("the Agreement") between itself and Sprint Spectrum L.P. ("the Parties") for review and approval by the Commission pursuant to the provisions of Section 252(e) of the Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Stat. 56 (1996) (codified at 47 U.S.C. 151 et. seq.) ("the Act"). This filing is made pursuant to the Act. The Agreement has been arrived at through good faith negotiations between the Parties as contemplated by Section 252(a) of the Act.

The Agreement is filed pursuant to the procedures set forth in Section 252(e) of the Act. Under Sections 252(e)(1) and (2), the Commission must approve the Agreement unless the Agreement or a portion thereof "... discriminates against a telecommunications carrier not a party to the agreement" or "... implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity." The Agreement does not discriminate against other telecommunications carriers. The Agreement is in the public interest, convenience and necessity because it establishes the terms, rates, and conditions for the exchange of local traffic between the Parties' networks.

Since the Agreement is the result of voluntary negotiations between the Parties, the Agreement is not subject to review under the standards set forth in Sections 252(b), 252(c) and 252(d) of the Act. In accordance with Section 252(e)(4) of the Act, the Agreement will be deemed approved if the Commission does not act to approve or reject the Agreement within 90 days from the date of this Application.

WHEREFORE, Doylestown Telephone Company requests that the Commission approve the Agreement.

Respectfully submitted,

AGREEMENT FOR TRANSPORT AND TERMINATION OF TRAFFIC
BETWEEN SPRINT PCS AND
DOYLESTOWN TELEPHONE COMPANY

This Agreement is made effective on the 1st day of March, 2005, ("Effective Date") between Doylestown Telephone Company ("ILEC"), an Ohio corporation located at 81 N. Portage Street, Doylestown, OH 44230 and Sprint Spectrum L.P., a Delaware limited partnership d/b/a Sprint PCS ("Sprint PCS"), with offices at 6200 Sprint Parkway Building 6, Overland Park, Kansas 66251 (each referred to as "Party" and collectively as "Parties").

ILEC is certified by the Public Utilities Commission of Ohio ("PUCO") to operate as a local exchange carrier in Ohio. Sprint PCS is authorized by the Federal Communications Commission to provide commercial mobile radio service to its end user customers in Ohio. ILEC and Sprint PCS desire to interconnect on an indirect basis for the purpose of exchanging traffic between the Parties' customers ("Transport and Termination") and meet the requirements of Section 251(a)(b) and 252 of the Communications Act of 1934, as amended.

In consideration of the mutual covenants contained in this Agreement, the Parties agree as follows:

SECTION 1. SCOPE OF AGREEMENT

This Agreement establishes the terms, rates, and conditions for the exchange of Local Traffic, as defined below, between ILEC's network in Ohio and Sprint PCS' network.

Federal law shall define the designations "local" and "non-local." Local Traffic means, for the purpose of reciprocal compensation under this Agreement, telecommunications traffic between the Parties that, at the beginning of the call, originates and terminates within the same Major Trading Area as defined in 47 CFR 51.701(b)(2). Local Traffic may be delivered to either Party using the facilities of a LEC Tandem Provider in lieu of a direct connection between the Parties. Non-Local Traffic means all traffic that is not Local Traffic. Terms, rates, and conditions for the transport and termination of Non-Local Traffic are not within the scope of this Agreement.

The traffic exchanged through an interexchange carrier ("IXC") is not covered under this Agreement.

SECTION 2. TRAFFIC EXCHANGE

The Point of Interconnection ("POI") shall be at the SBC Ohio tandem CLLI AKRNOH255GT or other local exchange telephone company access tandem ("LEC Tandem Provider"). Each Party shall be responsible for the cost of providing the trunks from its network to the POI. The originating Party agrees to pay any charges assessed by the LEC Tandem Provider.

ILEC operates under the OCN 0609. Sprint operates under the OCN of 6664 and 8568 in the state of Ohio.

SECTION 3. BILLING AND PAYMENTS; LATE CHARGES

For all Local Traffic transited over the network of the LEC Tandem Provider and terminated on the network of either ILEC or Sprint PCS, the Party originating the Local Traffic shall pay the Party terminating such Local Traffic \$.02 per minute ("Reciprocal Compensation").

Billing for Local Traffic shall be based on the aggregated measured usage less any Non-Local Traffic. If there is insufficient representative and verifiable data on the actual Non-Local Traffic exchanged between the Parties to use in preparation of the monthly billing statement, the Parties agree to apply a 0% Non-Local Traffic factor to the originated minutes of use as an estimate of the Non-Local Traffic being exchanged. As of the date of this Agreement, the Parties will assume that 100% of the traffic exchanged will be classified as Local Traffic.

ILEC will issue a monthly invoice to Sprint PCS. The monthly statement, will indicate, at a minimum, total minutes billed, the rates used to calculate the charges, and the total amount due. The invoice will include charges for no more than 180 days prior to the billing date. Sprint PCS shall pay ILEC for all charges properly listed on the invoice. Such payments are to be received within thirty (30) days from the date the invoice was received. Sprint PCS shall pay a late charge on the billed unpaid amounts that are greater than forty-five (45) days old. The rate of the late charge shall be the lesser of 1.5% per month and the maximum amount allowed by law.

For compensation and billing purposes, the Parties agree that the Local Traffic split is assumed to be a 70/30 ratio with 70% of the calls to be mobile to land traffic and 30% to be land to mobile traffic. The land to mobile traffic shall be calculated by dividing the mobile to land traffic minutes of use from the Traffic Distribution Report by 70% to determine 100% of the exchanged Local Traffic, and then subtracting the mobile to land traffic to arrive at the factored land to mobile traffic for which Sprint PCS is due Reciprocal Compensation. ILEC shall prepare an invoice reflecting the compensation owed by Sprint PCS after subtracting the compensation owed by ILEC to Sprint PCS. Either Party may request a traffic study to update the traffic ratio after the initial term and no more frequently than once every six months. Sprint PCS shall not invoice ILEC.

SECTION 4. USAGE REPORTS

ILEC may create an invoice from its own billing system to measure and record Local Traffic originating from Sprint PCS and produce an invoice. In the alternative, ILEC may obtain a monthly traffic distribution report from the LEC Tandem Provider summarizing traffic originated by one Party and terminating to the other Party ("Tandem Reports"). The Tandem Reports or the billing system records authorized by this paragraph shall collectively be referred to as "Traffic Distribution Reports."

The Parties agree to accept these Traffic Distribution Reports as an accurate statement of Local Traffic exchanged between the Parties, subject to the right to audit the reports. Such right to audit shall be waived if not exercised within three hundred sixty-five (365) days of receipt of the reports. Either Party may perform an audit of the other Party's network usage records or other records, including records of the LEC Tandem Provider, relevant to the subject matter of

this Agreement. The Parties agree that audits shall be performed no more than one (1) time per calendar year unless the previous audit revealed material error. Each Party shall bear the expense of any audit it requests. Such an audit shall be conducted by the requesting Party or an independent auditor of the requesting Party and shall be conducted on the premises of the audited Party during normal business hours.

For any month in which a Traffic Distribution Report that had been historically available is not available within sixty (60) days, the Parties will determine the amount of originating and terminating Local Traffic by using an average of the three (3) previous months for which Traffic Distribution Reports were available. The historical average may be used by ILEC for invoicing Sprint PCS for termination of such Local Traffic. If at a later date it is determined that the Parties may more precisely determine the minutes of use ("MOU"), a bill adjustment shall be made reflecting the actual MOU.

SECTION 5. BILLING DISPUTES

The Parties agree that they will each make a good faith effort to resolve any billing dispute. If any portion of an amount due to ILEC under this Agreement is subject to a dispute between the Parties, Sprint PCS shall, within sixty (60) days of its receipt of the invoice containing such disputed amount, give notice to ILEC of the amount it disputes ("Disputed Amount") and include in such notice the specific details and reasons for disputing each item. Sprint PCS shall pay when due all undisputed amounts to ILEC. If the Disputed Amount is resolved in favor of ILEC, Sprint PCS shall thereafter pay the Disputed Amount with appropriate late charges, if applicable, upon final determination of such dispute.

SECTION 6. INDEPENDENT CONTRACTOR RELATIONSHIP

The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have the right, power or authority to enter into any agreement for or on behalf of, or incur any obligation or liability for, or to otherwise bind the other Party. This Agreement shall not be interpreted or construed to create an association, joint venture, or partnership between the Parties or to impose any partnership obligation or liability upon either Party.

SECTION 7. INDEMNIFICATION

Each Party (the “Indemnifying Party”) shall indemnify and hold harmless the other Party (“Indemnified Party”) from and against loss, cost, claim liability, damage, and expense (including reasonable attorney’s fees) to customers and other third parties for:

- 7.1 damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors; and
- 7.2 claims for infringement of patents arising from combining the Indemnified Party’s facilities or services with, or the using of the Indemnified Party’s services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 8).

The Indemnified Party will notify the Indemnifying Party promptly and in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that that Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

If the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.

In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand or lawsuit.

Neither Party shall accept the terms of a settlement that involves or references the other Party in any matter without the other Party’s approval.

Recipient shall have no obligation to safeguard Confidential Information (i) which was in the Recipient's possession free of restriction prior to its receipt from Disclosing Party, (ii) after it becomes publicly known or available through no breach of this Agreement by Recipient, (iii) after it is rightfully acquired by Recipient free of restrictions by Disclosing Party, or (iv) after it is independently developed by personnel of Recipient to whom the Disclosing Party's Confidential Information had not been previously disclosed. Recipient may disclose Confidential Information if required by law, a court, or governmental agency, provided that Recipient has provided Disclosing Party with written notice of such requirement as soon as possible and prior to disclosure, and provided that Recipient undertakes all reasonable lawful measures to avoid disclosing such information until Disclosing Party has had reasonable time to obtain a protective order. Recipient agrees to comply with any protective order that covers the Confidential Information to be disclosed.

Each Party agrees that Disclosing Party would be irreparably injured by a breach of this Agreement by Recipient or its representatives and that Disclosing Party shall be entitled to seek equitable relief, including injunctive relief and specific performance, in the event of any breach of this paragraph. Such remedies shall not be exclusive, but shall be in addition to all other remedies available at law or in equity.
