2.5 DEPOSITS AND INTEREST

- 2.5.1 The Carrier may, in order to safeguard its interest, require an applicant or a customer to deposit a sum up to an amount equal to two hundred and thirty percent of the estimated average monthly charge for usage offered herein; such deposit to be held by the Carrier as a guarantee of the payment of charges provided for herein. The fact that a deposit has been made in no way relieves the applicant or customer from complying with the Carrier's regulations as to advance payments and the prompt payment of bills on presentation. At such time as the service is terminated, the amount of the deposit is credited to the customer's account and any credit balance, which may remain, is refunded. At the option of the Carrier such a deposit may be refunded or credited to the customer at any time prior to termination of the service. (C)
