Case No. 01-1172-EL-BLN

Letter of Notification
Gavin - Marysville 765 kV Line
Service to Rolling Hills Generating Plant

Dear Mr. Lambeck:

In accordance with your letter of December 4, 2001, please be advised that construction on this project is scheduled to start on or about January 22, 2002. We will let you know when construction has been completed.

Cordially,

A handwritten signature in cursive script that reads "John R. Heppner".

John R. Heppner
Transmission Line Engineering
