Dear Mr. Vigorito:

On August 29, 2000, the Industrial-Energy Users-Ohio, the Ohio Council of Retail Merchants, and the Ohio Manufacturers' Association filed an Application for Rehearing from an August 17, 2000 Entry issued by the Public Utilities Commission of Ohio in the above-captioned cases. In several places in the Application, the Commission Entry from which it was taken was inadvertently referred to as having been issued on July 17, 2000. Please read this Application for Rehearing to have been taken from the Entry issued on August 17, 2000, in which the Commission approved the Applications of the Ohio Department of Development for Universal Service Fund Riders and Energy Efficiency Revolving Loan Fund Riders and denied Industrial Energy Users-Ohio's Motion to Disapprove the Ohio Department of Development's applications.

Very truly yours,

Gretchen J. Hummel
