**RE: Case No. 96-899-TP-ALT  
Case No. 90-5013-TP-TRF**

Dear Ms. Crockron:

Attached is Cincinnati Bell Telephone's (CBT's) application requesting authorization to revise its Out of Territory Services Tariff PUCO No. 1. This revision entails the reduction of the contract rates associated with the Integrated Advantage and Integrated Prime Advantage Services. Specifically, the reduction is being made to the monthly, recurring rates associated with the 36 and 60 month term contracts.

Pursuant to the Finding and Order in Case No. 99-1496-TP-UNC, CBT's existing alternative regulation plan, Case No. 96-899-TP-ALT is to apply to CBT's operations outside of its existing territory. Therefore, pursuant to Section VI.F.7. of CBT's Commitment 2000 Plan, Case No. 96-899-TP-ALT this filing is scheduled to become effective at the time that CBT publicly files the price changes. Attached are the tariff pages bearing the 96-899-TP-ALT case number in order to implement the price changes. All of the terms necessary to change prices on existing services as detailed in 96-899-TP-ALT have been met.

In accordance with Case No. 90-5013-TP-TRF and Case No. 96-899-TP-ALT, CBT is forwarding for filing ten copies of the tariff pages indicated below, bearing issue and effective dates of November 14, 2000.

**Out Of Territory Services Tariff PUCO No. 1**
