Re: Case No: 96-414-TP-ATA

Dear Ms. Crockron:

Enclosed for filing in the above referenced case are revised proposed tariff sheets. These sheets replace sheets 8 through 10 and add sheet 11 in Exhibit B of United's Application. These sheets are being filed at the Staff's request.

Please return a copy of this transmittal letter with the "received" stamp. A duplicate is enclosed for that purpose.

Sincerely,

Gene A. Gratz
General Manager/Leader - Tariffs

C. RATES AND CHARGES (Continued)

3. The following optional features (if not included in the capability package) are available at the following minimum monthly rates:

	Minimum Monthly Rate
(A) Flexible calling	*
(B) Additional Call Offering	\$3.00
(C) Call Forwarding for voice	1.50

4. The following optional features (if not included in the capability package) are available at the following monthly rates:

	Monthly Rate
(A) Additional Directory Number, each	\$2.00

5. The nonrecurring charge applies per capability package for the installation and move of the ISDN service and is in addition to the applicable service connection charges.
6. Each capability package nonrecurring charge provides for one configuration group to be established at the initial implementation of service. Subsequent changes to the configuration will be charged a nonrecurring charge of \$50.00.
7. When circuit-switched data or voice calls are made outside of the subscriber's flat-rate calling area, applicable calling charges (toll, ELC, or LMS, as applicable) will be assessed. ISDN customers who use call forwarding to transfer features are responsible for the payment of any applicable charges for each call connected via these features.
8. In addition to the above monthly charges, the customer will be assessed the applicable subscriber line charge for each B channel.

* Flexible calling is included with capability packages G and K and will not be offered with other packages.
