SUBJECT: NOTICE OF AUTOMATIC APPROVAL OF APPLICATION AND NOTICE TO
HOLD CASE OPEN IN ORDER TO RULE ON THE MOTION FOR PROTECTIVE
ORDER ASSOCIATED WITH THE CASE.

CASE NO. 96-390-TP-AEC

COMPANY Ameritech/New Par

Please be advised that the above-cited case, which was filed pursuant to the automatic procedures developed by the Commission in Case No. 94-487-TP-ALT, has been thoroughly reviewed by the Staff. Based upon this review, Staff recommended that the application be permitted to be approved pursuant to the automatic time frame. In that no action was taken to suspend this case, it was automatically approved on May 22, 1996. However, because a motion for protective order was filed in association with this case, seeking protective treatment of specific information, the motion for protective order will be ruled on pursuant to Rule 4901-1-24, Ohio Administrative Code, and not pursuant to the automatic procedures and time frame. Consequently, this case shall remain open until a ruling has been made relative to the Applicant's protective order motion.
