RE: Conference Call on Case No. 99-536-TP-PEX

Dear Ms. See:

Regretfully, Eleanor Leeper and myself have chosen to forego our EAS case with Ameritech and GTE. Based on our conversation regarding the calling rate from Lewisville to Marietta, we feel that at this point the calling rate is not high enough to support our case for EAS. However, we would like to keep our option open for the future, in case our area would change and the calling rate would support an EAS.

We appreciate all that you and your office has done to assist us in this matter.

Thank You

Sheryl Leeper
