**Chrysler-O. I. Levis Park 138 kV Transmission Line Tap  
To the First Solar Substation  
Completion of Construction  
Case No. 05-1003-EL-BLN**

Dear Ms. Jenkins,

This letter is in response to the Letter of Notification on the above captioned project filed on August 10, 2005, the October 10, 2005 Motion for Waiver of Notice Requirements and the October 17, 2005 Administrative Law Judge Order granting authorization to begin construction on the project on October 21, 2005. The October 17, 2005 Order also directed the applicants, American Transmission Systems, Inc. and the Toledo Edison Company, to file a notice in the docket within seven days of completing the project. Please be advised that construction on this project was completed on January 25, 2006.

Please contact me at (330) 761-4268 if you have any questions regarding this project.

Sincerely,

  
Ted Krauss, Senior Transmission Engineer  
FirstEnergy Service Company
