its Fuel and Economy Purchased Power) Case No. 05-725-EL-UNC
Component of its Market-Based Standard)
Service Offer.)

ENTRY

The attorney examiner finds:

- (1) On June 1, 2005, The Cincinnati Gas & Electric Company (CG&E) filed an application proposing to establish the market price of the fuel and economy purchased power (FPP) component of its market-based standard service offer, for the period July 1, 2005, through September 30, 2005.
- (2) On June 14, 2005, the Commission issued an entry directing the Commission's staff to issue a Request for Proposal (RFP).
- (3) In finding (5) of that entry, the Commission directed that all audit proposals will be due by June 29, 2005. The timeline chart on page 5 of the RFP and the front cover of the RFP correctly specify June 29, 2005, as the due date for proposals. However, the due date set forth on page 12 of the RFP incorrectly states that proposals will be accepted until 5:00 p.m. on July 1, 2005.
- (4) To avoid any confusion, the due date set forth on page 12 of the RFP should be corrected. The due date on page 12 in the RFP should be modified to reflect that all proposals must be received no later than 5:00 p.m., June 29, 2005.

It is, therefore,

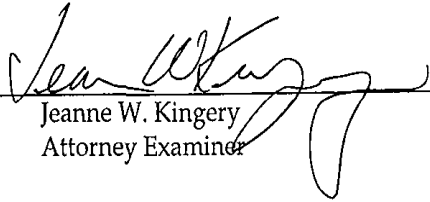

ORDERED, That the due date for proposals, as shown on page 12 of the Request for Proposal No. U05-FPP-1, should be revised to reflect that all proposals under this RFP are due by 5:00 p.m., June 29, 2005. It is, further,

ORDERED, That a copy of this entry should be mailed, by staff of the Commission, to all persons to whom Commission staff mailed a copy of Request for Proposal No. U05-FPP-1. It is, further,

Case No. 05-725-EL-UNC
Date Processed 6/21/05
Recommender AMN

ORDERED, That a copy of this entry be served upon all parties of record.
