THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Commission's )  
Promulgation of Amendments to Rules for ) Case No. 99-1613-EL-ORD  
Electric Service and Safety Standards )  
Pursuant to Chapter 4928, Revised Code. )

ENTRY

The attorney examiner finds:

- (1) On December 21, 1999, the Commission invited all interested stakeholders to submit comments on the staff's proposed amendments to the electric service and safety standards (ESSS) adopted at Chapter 4901:1-10, Ohio Administrative Code. The Commission indicated that initial comments were to be filed with the Commission by January 31, 2000, and reply comments to be filed by February 14, 2000.
- (2) The Commission held a "comment exchange" at the Commission offices so that commenters could receive copies of others' initial comments more quickly. Entities attending the comment exchange entered their names on a sign-in sheet that is attached to this entry as attachment A. Those entities that filed comments but did not attend the comment exchange are listed in attachment B. Each entity listed in attachment B should serve a copy of their comments upon all entities filing comments listed in attachments A and B. Each entity listed in attachment A need only serve a copy of their comments upon entities listed in attachment B.

The attorney examiner reminds interested parties that those entities filing reply comments must serve copies of the reply comments on all entities that filed initial comments.

It is, therefore,

ORDERED, That each entity that filed initial comments in response to the December 21, 1999 entry in this docket shall serve a copy of those comments in accordance with finding 2. It is, further,

ORDERED, That a copy of this entry be served upon all entities listed in attachments A and B and all other interested persons of record.
