RE: Letter of Notification
Gavin - Marysville 765 kV Line
Service to Rolling Hills Generating Plant
Case No. 01-1172-EL-BLN

Dear Mr. Momme:

This is in response to your Letter of Notification for the above referenced project, which was filed on May 16, 2001 with supplemental data filed on November 29, 2001. Please be informed that the filing meets the informational requirements for a Letter of Notification as required by Ohio Administrative Code 4906. Hence, the project may proceed as defined in the above referenced filings. However, due to the sensitivity of the two streams that will be impacted, I am requesting that the company and the contractor meet with Staff before commencing clearing of any foliage.

An invoice for the direct cost of processing this Letter of Notification will be forthcoming. The remittance should be made payable to the Public Utilities Commission of Ohio, Fund 561, Power Siting Fund.

In addition, please notify the Board at least seven (7) days prior to the planned date of construction and within seven (7) days following completion of the project.

Very truly yours,

Klaus Lambeck, Chief
Facilities, Siting & Environmental
Analysis Division
