ENTRY

The attorney examiner finds:

- (1) On July 1, 1997, Mr. Ben Donahue and numerous other subscribers of the North Jackson Exchange of Ameritech Ohio (Ameritech) filed a petition seeking the institution of two-way, nonoptional, flat-rate extended area service (EAS) between the North Jackson Exchange of Ameritech, on the one hand, and the Niles, Girard, Hubbard, Lowellville, North Lima, and Salem exchanges of Ameritech and the Warren, Lake Milton, and North Benton exchanges of United Telephone Company of Ohio dba Sprint (Sprint), on the other hand. Measured-rate EAS (known as Local Calling Plus to Ameritech subscribers) already exists from the North Jackson Exchange to the Warren and Niles exchanges, respectively.¹

¹ One-way, nonoptional, measured-rate EAS was ordered from the North Jackson Exchange to the Warren Exchange pursuant to a Finding and Order issued January 31, 1991, in Case No. 90-726-TP-PEX. Two-way, nonoptional, measured-rate EAS was ordered between the North Jackson and Niles exchanges in an Opinion and Order issued March 10, 1987, in Case No. 85-763-TP-PEX.

This is to certify that the above is an accurate and complete reproduction of a case file document delivered in the regular course of business.

- (2) By entry issued November 4, 1997, the attorney examiner directed Ameritech and Sprint, among other things, to compile certain calling information and submit such data to the Commission and to the spokesperson for the complainants by no later than February 5, 1998. In addition, the November 4, 1997 entry scheduled this matter for a settlement conference to take place on February 12, 1998, at the offices of the Commission.
- (3) On the day of the scheduled conference, the spokesperson advised the attorney examiner by telephone that health related problems made it impossible for him to travel to Columbus, Ohio for the settlement conference on February 12, 1998.
- (4) After consultation with the parties, the attorney examiner deems it appropriate to reschedule this matter for a telephone conference to take place on March 3, 1998, at 2:00 p.m. The attorney examiner will make arrangements for a conference telephone line and inform the parties subsequently of the details.
- (5) As a final matter, Ameritech and Sprint are reminded that certain cost information, outlined in Finding (7) of the November 4, 1997 entry, is due on March 5, 1998.

It is, therefore,

ORDERED, That a settlement conference be rescheduled in accordance with Finding (4). It is, further,

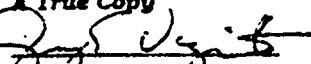

ORDERED, That Ameritech and Sprint comply with Finding (5). It is, further,

ORDERED, That a copy of this entry be served upon the spokesperson, Mr. Ben Donahue, Ameritech, and Sprint, their respective counsel, and all interested persons of record.
