ENTRY

The attorney examiner, pursuant to the authority granted in Rules 4901-1-11 and 4901-1-14, Ohio Administrative Code (O.A.C.), finds:

- (1) On November 26, 1997, ICG Telecom Group, Inc. (ICG) filed a complaint with the Commission against Ameritech Ohio (Ameritech). The complaint alleges that Ameritech has wrongly refused since July 1997 to pay certain bills that ICG has submitted pursuant to the parties' interconnection agreement.
- (2) On December 15, 1997, the attorney examiner scheduled this matter for settlement conference on January 5, 1998. The attorney examiner further noted that the Commission's local service guidelines reflect that carrier-to-carrier complaints (regarding issues other than implementation of interconnection agreements) should be addressed within 180 calendar days of being filed with the Commission. Guideline XVIII.C.1. The examiner determined that this complaint falls within that category and, thus, the Commission will endeavor to process this matter within that 180 day time frame.
- (3) On December 22, 1997, Ameritech timely filed an answer to the complaint. Ameritech also filed a motion to stay this proceeding until the Federal Communications Commission has issued a decision in Docket No. CCB/CPD 97-30.
- (4) The examiner notes that the pleading cycle for responses to Ameritech's motion to stay has not expired and a ruling upon that motion has not been issued. However, given the rather short time frame under which the Commission will endeavor

to process this matter if the motion to stay is denied, the examiner believes that it is appropriate at this point in time to establish an intervention deadline. Accordingly, all requests for intervention should be filed on or before January 16, 1998.

It is, therefore,

ORDERED, That all requests for intervention in this matter be filed on or before January 16, 1998. It is, further,

ORDERED, That a copy of this Entry be served upon each party of record.
