Re: Revised Opt-out Notices for; Cases 00-2089-EL-GAG; 00-2116-EL-GAG; 00-2212-EL-GAG; 00-2331-EL-GAG; 00-2383-EL-GAG; 00-2027-EL-GAG; 04-0038-EL-GAG

Dear Ms. Jenkins:

Please find enclosed the original and ten copies of the Revised Supplemental Opt-out Aggregation Notices to be sent to new eligible residential customers in the Cities of **Maumee, Perrysburg, Sylvania and Northwood**, the **Village of Holland**, the unincorporated area of **Lucas County and Lake Township** on or after February 28, 2005, making the opt-out deadline March 21, 2005. Please docket this notice under the above case numbers.

FirstEnergy Solutions is providing aggregation services to NOAC and, in this capacity, are filing this information on their behalf.

Should there be any questions and/or additional information needs, please contact: Brenda Fargo, Government Aggregation Manager, First Energy Solutions, 330-315-6898 or through e-mail at fargob@fes.com.

Thank You,

Brenda Fargo
FirstEnergy Solutions

Dear Resident:

Your community, as a member of the Northwest Ohio Aggregation Coalition (NOAC), is providing you with the opportunity to join with other residents to save money on the electricity you use. Savings are possible through government aggregation, where local officials bring together citizens to gain group-buying power for the purchase of electricity from a Certified Retail Electricity Supplier, certified by the Public Utilities Commission of Ohio. NOAC is a group of nine communities who are working together to provide lower electric rates to their residents and businesses.

You will be automatically enrolled in your community's electric government aggregation program unless you choose to opt out. There is no cost for enrollment. You do not need to do anything to participate. Your community has chosen FirstEnergy Solutions to provide group participants with electric generation through December 2005. Generation charges comprise about one-third of your bill and are the components of your electric system open to competition. Toledo Edison's charges for transmission and distribution comprise the remaining two-thirds of your bill. If you switch back to Toledo Edison at a later date, you may not be served under the same rates, terms and conditions that apply to other customers served by Toledo Edison.

Listed below are the eligible rate codes. Your rate code is located on your Toledo Edison bill:

Electric Supply Prices for Residential Members of your Community's Government Aggregation Program

Toledo Edison Rate	Price during the two-year agreement
Rate TE-RS511F Rate TE-RS511D - General Residential Rates	4.357 cents per kilowatt-hour (\$0.04357/kWh)
Rate TE-RS518F Rate TE-RS518D - Residential Add-On Heat Pump	5.209 cents per kilowatt-hour (\$0.05209/kWh)
Rate TE-RS561F Rate TE-RS561D - Residential Optional Heating	4.256 cents per kilowatt-hour (\$0.04256/kWh)

If you are currently on a residential rate other than what is listed above, you are not eligible to participate in the electric aggregation program. Please contact FirstEnergy Solutions at the number on the next page if you feel you received this letter in error.

Additionally, if you currently receive electric generation from an alternative supplier, please review the expiration date of your contract. Many electric suppliers will charge a penalty for breaking your contract before it expires. You should opt out of the electric aggregation program to maintain your contract with your current electric supplier.

Most residents are in rate code 511. A typical customer in rate 511 who joins the community's program can expect to save around \$83 in 2005, using 750 kWh/month. If you don't opt out at this time, you will receive a notice at least every two years asking if you wish to remain in the program.

WARNING: IF YOU ARE ALREADY IN CONTRACT WITH A COMPETITIVE RETAIL ELECTRIC SERVICE PROVIDER OTHER THAN FIRSTENERGY SOLUTIONS YOU MAY INCUR A CONTRACT TERMINATION FEE OR OTHER CHARGES IF YOU FAIL TO OPT-OUT OF THE AGGREGATION

You have until March 21, 2005 to return the enclosed "opt-out" form if you wish to be excluded from the electric government aggregation program and remain a customer of Toledo Edison. If you don't opt out, you will begin to receive services from FirstEnergy Solutions as of April/May 2005, depending upon you meter read date.

In Ohio's deregulated electric environment, your local electric utility – Toledo Edison – will continue to maintain the system that transmits and delivers power to your home. You won't see any new poles or wires, and you will continue to receive a single, easy-to-read bill from your electric operating company with your FirstEnergy Solutions charges included. You can even receive and pay your bill online via www.firstenergycorp.com, free of charge.

If you have any questions, call our knowledgeable staff at FirstEnergy Solutions, toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m. Please do not call your community with any government aggregation program inquiries.

Sincerely,
Your Local Officials

P.S. Remember to return the opt-out form only if you do not want to participate in your community's electric aggregation program.

OPT-OUT FORM – NOAC ELECTRIC GOVERNMENT AGGREGATION PROGRAM

RESIDENT

By returning this signed form, you will be excluded from the opportunity to join with other residents in your community's Electric Government Aggregation Program.

I wish to opt out of the Electric Government Aggregation Program. **(Check box to opt out.)**
