Re: PUCO Case No. 00-225-TP-PEX

Dear Ms. Crockron:

This letter is being filed to establish the record for the above proceeding. On May 3, 2001, the Commission approved a Stipulation and Recommendation, which called for the implementation of the Union City Local Calling Plan between Versailles and Fort Loramie within 12 months of the Finding and Order.

On October 11, 2001, the Commission issued an Entry in Case Nos. 00-127-TP-COI, 01-1586-TP-UNC, and 01-1658-TP-UNC that approved the establishment of 2-way flat rate extended area service between Versailles and Fort Loramie.

Consistent with the October 11, 2001 Entry, United Telephone Company of Ohio d/b/a Sprint established flat rate EAS from Versailles to Fort Loramie on December 20, 2001. Flat rate EAS is scheduled for implementation between Fort Loramie and Versailles on April 24, 2002.

Based on the above, Sprint has complied with the Commission's May 3 Finding and Order as amended by the subsequent Entry in Case 00-127-TP-COI et al. and therefore Case No. 00-225-TP-PEX should be closed.

Please contact me if you have any questions.

Sincerely,

Becky Donahue  
Docket Manager
