RE: Letter of Notification
Tap to Dana Substation
Case No. 03-342-EL-BLN

Dear Mr. Krauss:

This is a response to your Letter of Notification for the above referenced project, which was filed on February 5, 2003. Please be informed that the filing meets the informational requirements for a Letter of Notification as required by Ohio Administrative Code 4906 and the project may proceed.

An invoice for the direct cost of processing this Letter of Notification will be forthcoming. The remittance should be made payable to the Public Utilities Commission of Ohio, Fund 561, Power Siting Fund.

Please notify the Board at least seven (7) days prior to the planned date of construction and within seven (7) days following completion of the project.

Very truly yours,

Klaus Lambeck, Chief
Facilities, Siting & Environmental
Analysis Division
