Re: Case No.(s) 04-1405-EL-ATA, 89-6006-EL-TRF

Dear Ms. Crockron:

Enclosed you will find Ohio Edison's revised Sheet No. 4, 2<sup>nd</sup> Revised Page 14 of 33 to Exhibit B that should be docketed in the above referenced case numbers as a replacement of the page that was filed at the Commission back on January 24, 2005. One (1) original and ten (10) copies have been provided for your use. An additional copy was provided so that you could date and time stamp that copy prior to returning it in the envelope provided.

A copy of these revised exhibits has also been served to those parties on the attached Certified of Service.

Sincerely,

Stephen N. Hadick

**ELECTRIC SERVICE  
STANDARD RULES AND REGULATIONS**

When a transformer vault is necessary, said vault shall be furnished and maintained by the customer at his expense in accordance with the Company's standards.

- B. Equipment ownership:** Unless otherwise agreed between the Company and the customer, all equipment furnished by the Company shall remain its exclusive property and the Company shall have the right to remove the same after termination of service for any reason whatsoever.
- C. Meter testing:** The Company tests its meters at intervals for mutual protection of the customer and the Company. Meter accuracy shall comply with the currently applicable American National Standards Institute (ANSI) C12.1 standards. In addition, the Company will test any meter at a customer's request. If the accuracy of the meter is found to be in compliance with ANSI C12.1 standards, the Company may charge the customer the meter test fee as provided in the Company's tariff Sheet No. 53 Miscellaneous Charges, except that the first test at the customer's request within any twelve month period shall be free of charge.
- D. Meter failure:** Whenever a meter fails to register the correct amount of energy the customer shall pay, for the service furnished, an estimated amount based either upon the results of a test, or upon the use during a similar period, or upon both of these methods.

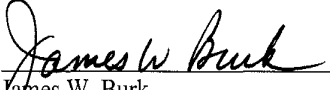

The Company's policy on backbilling for residential customers shall comply with the orders of the Public Utilities Commission and Section 4933.28 of the Ohio Revised Code. The Company's policy on backbilling for non-residential customers shall comply with the orders of the Public Utilities Commission and Section 4901:1-10-23 of the Ohio Administrative Code.

- E. Customer responsibility:** The customer shall permit only authorized agents of the Company, or persons otherwise lawfully authorized, to inspect, test or remove Company equipment located on the customer's premises. If this equipment is damaged or destroyed due to the negligence of the customer, the cost of repairs or replacement shall be paid by the customer.
