RE: P.U.C.O. Case No. ~~96-1168-RR-STP~~ CSXT Grade Crossing, City of Strongsville, Cuyahoga County

Dear Bonnie:

Mr. Brown has discussed with me your recent conversation regarding the above grade crossing. As he indicated, our City Council has not approved the legislation for the City to enter into a Subsidy Stipulation and Recommendation Agreement with the P.U.C.O., the City, and CSX. This matter has had four readings at Council, the most recent on June 2, 1997.

I would very much like to keep this matter open for inclusion in budget discussions for our '98 fiscal year. Those discussions will commence in the near future and I'm hopeful that this matter would be funded upon approval of the new budget.

We appreciate your cooperation with Strongsville as well as your helpfulness in the improvements we have accomplished in our crossings.

Sincerely,

Walter F. Ehrnfelt
Mayor
