Telecommunication Services in the State of)
Ohio.)

FINDING AND ORDER

The Commission finds:

- (1) On November 20, 2002, and as subsequently amended, United Telemanagement Systems, Inc. (United) filed an application for authority to provide interexchange telecommunication services in the state of Ohio pursuant to the guidelines issued in *In the Matter of the Commission Investigation Into the Implementation of Sections 4927.01 through 4927.05, Revised Code, as They Relate to Competitive Telecommunications Services*, Case No. 89-563-TP-COI (89-563).
- (2) In accordance with the Commission's Entry on Rehearing issued December 22, 1993, in 89-563, United's application was suspended on December 20, 2002, so that the Commission and its staff could review this matter more thoroughly. Staff has since determined that all aspects of United's application have been filed in satisfactory manner.
- (3) United's operations qualify it as a telephone company and as a public utility as defined in Sections 4905.02 and 4905.03(A)(2), Revised Code. Therefore, United is subject to the jurisdiction of this Commission under the authority of Sections 4905.04 and 4905.05, Revised Code.
- (4) The tariff filed by United on March 19, 2003, conforms with Commission standards.
- (5) The Commission concludes that United is a proper party to hold a certificate of public convenience and necessity and that United's application is approved.

It is, therefore,
