a. Application of Charges (cont'd)

After the subscriber's initial selection, for any change thereafter, an IntraLATA Presubscription Charge, as set forth in Paragraph 6.b. following applies.

If the subscriber selects the same interLATA and intraLATA carrier when simultaneously changing their interLATA and intraLATA presubscribed carriers, only the intraLATA presubscription charges, as set forth in Paragraph 6.b following apply. If the subscriber selects different interLATA and intraLATA carriers when simultaneously changing interLATA and intraLATA carriers, then intraLATA presubscription charges as set forth in Paragraph 6.b following apply for selection of the intraLATA carrier and tariffed interLATA charges apply for the selection of the interLATA carrier.

Subscribers may designate that they do not want to select a carrier. This choice is considered a valid presubscription selection and IntraLATA Presubscription Charges will apply to any subsequent change.

When the Telephone Company changes a subscriber's carrier assignment based on carrier-provided Subscriber Lists and a choice discrepancy occurs, and the carrier is unable to produce proper agency authorization, the carrier rather than the subscriber will be billed for IntraLATA Presubscription charges that apply for making that change and/or restoring the subscriber's original assignment.
