OneStar Long Distance, Inc., doing business as OneStar Long Distance ("OneStar"), and Cellnet Telecommunications of Michigan, L.L.C., doing business as C-Net Communications ("C-Net"), are hereby notifying you that they have agreed to a transfer of C-Net's entire non-cellular long-distance customer base to OneStar.

The transfer is scheduled to take place no later than May 31<sup>st</sup>. After the date of transfer, C-Net will no longer be providing its customers with their business long-distance services (intrastate, interstate and international), and OneStar will be taking over all aspects of those customer's accounts.

The transfer of service will require no action on the part of C-Net's customers. OneStar expects the transfer to be a smooth transition and not to interrupt service.

A copy of a letter which C-Net sent to its customers, notifying them of the scheduled transfer, is attached to this notification. OneStar will be sending the customers follow-up letters, providing them with additional information regarding the transfer.

Dear "C-Net" Customer:

Cellnet Telecommunications of Michigan, L.L.C., doing business as C-Net Communications ("C-Net"), is pleased to announce that it has agreed to transfer its entire non-cellular long distance customer base to OneStar Long Distance, Inc. ("OneStar").

If you are also presently using Cellnet Communications Inc., an affiliate of C-Net, as the provider of your cellular/wireless and paging services, this transfer will not affect those services, and Cellnet Communications Inc. will continue to provide them to you.

The transfer is scheduled to take place no later than May 31<sup>st</sup>. After the date of transfer, C-Net will no longer be providing you with your business long distance services (intrastate, interstate and international), and OneStar will be taking over all aspects of your account. OneStar has indicated that it will be sending you a letter, providing further details of the transition.

It is our understanding that the transfer of service will require no action on your part. OneStar expects this transfer to be a smooth transition and not to interrupt your service. We also understand that your rates with OneStar will remain the same, and they may even be lower than the rates you currently are receiving from C-Net.

This transfer of service will affect all of C-Net's customers, including those located in Florida, Illinois, Indiana, Michigan, Ohio, Pennsylvania and Wisconsin.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier. If you wish to object, you should file your comments within 15 days after receipt of this notification. Address them to the Federal Communications Commission, Washington, D.C. 20554, referencing 63.71 Application of Cellnet Telecommunications of Michigan, L.L.C. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

It has been a pleasure serving you, and we hope that you will continue to be satisfied with the service you will receive from OneStar. If you have any questions regarding this transfer, please feel free to contact C-Net at 1-800-327-9150 or OneStar at 1-800-482-0000.

Sincerely,

**Cellnet Telecommunications of Michigan, L.L.C.**
