Dear Ms. Donnell:

Thank you for writing to Governor George V. Voinovich regarding your concerns about the activation of cable hardware not directly supplied by a specific cable provider. Governor Voinovich asked me to respond to your letter.

Since this is a federal issue, the Public Utilities Commission of Ohio has no jurisdiction in this matter. However, you may wish to contact Senator R. Michael DeWine at 140 Russell Senate Building, Washington, D.C. 20510, and Senator John Glenn at 503 Hart Senate Building, Washington, D.C. 20510. You may also wish to contact the Federal Communications Commission at 1919 M Street, NW, Room 814, Washington, DC 20554.

I hope that this information is helpful, and I regret that we could not be of more assistance to you in this matter.

Very truly yours,

Craig A. Glazer
Chairman
