- 2.15 After Hours Installation and/or Maintenance Charge.** When at the specific request of the Customer, installation and/or routine maintenance is performed outside of the regular business hours, additional Special Service charges apply. Special Service charges will be based upon the actual labor, material and other costs incurred by or billed to the Company in the provision of these Special services. Such circumstances include but are not limited to, standby in excess of one hour, weekend, holiday, or night time cut-over, and additional installation testing in excess of the normal testing required to provide service.
- 2.16 Discounts.** The Company may offer discounts based on factors such as volume of service taken (or, when appropriate, "revenue commitment" and/or "time of day"), and other factors supporting such discounts for its services. Requests for discounts will be presented to the Commission in accordance with the rules and regulations established by the Commission.
- 2.18 Late Payments.** Payment will be due fourteen (14) days after the postmark on the envelope for the bill submitted by Company. A late payment fee at the rate of 1.25% on the unpaid balance per month (unless a lower rate is prescribed by law, in which event at the highest rate allowable by law) will be applied in accordance with the Company's standard credit policy to any unpaid amount commencing thirty (30) days after the statement date. The late payment charge will not be applied to previous late payment charges that have been assessed but not yet paid for, but will apply to the accumulated services for which the customer is in arrears. Late payment charges will be applied without discrimination
