SECTION 1 - Directory Listings

1. LISTING SERVICES (cont'd)

D. Private Listing Service (cont'd)

2. (cont'd)

d. Where the private listing service customer calls another customer, who interprets the phone call as a harassing or threatening call and uses the Call Trace service to have the calling party telephone number and further information referred to the local law enforcement agency. The extent to which pursuit continues would depend upon the law enforcement agency.

e. Where the private listing service customer calls a customer who subscribes to and uses the Advanced Custom Calling Service Call Screening, the calling customer can prevent the possible exposure of his/her telephone number by using Calling Party Number Blocking. This feature is available where Call Screening is available in the Ohio Bell serving area.

3. The Telephone Company will furnish, upon request, the name of the customer to exchange service where such service is used to provide recorded announcements under the provisions of Part 2, Section 2 of this tariff.

4. Customers to private listing service, regardless of whether such service is subject to the monthly rate set forth in this section, have the option of requesting the Telephone Company to relay emergency messages from persons attempting to reach such customers. The Telephone Company will not challenge the calling party's statement that an emergency exists, nor make any attempt to determine the importance of such emergency. Such messages will be billed to the private listing service customer at the message rate set forth in E. following.

5. Except as set forth in 4., preceding, the Telephone Company shall not be obligated to complete exchange or message toll calls to such customers, by number.

E. Semi-Private Listing Service

1. Upon receipt of an authorization signed by the customer, in a form satisfactory to the Telephone Company, semi-private listing service will be provided by the Telephone Company. With semi-private listing service the customer listing is omitted or deleted from the Telephone Company's directories; however, these listings are contained in information records and will be furnished upon request of the calling party.
