RE: PUCO Case No. 98-1398-TP-AMT

Dear Ms Crockron:

Pursuant to the Auditing provision of the Joint Partial Settlement Agreement ("JPSA") in effect in Ohio for Verizon North Inc. ("Verizon") in this docket, which addresses OSS Performance Measures and related activities such as auditing and reporting procedures, a conference call with interested parties has been scheduled as follows:

TIME OF MEETING: 1:00 ~~PM~~ ^{PT} ON WEDNESDAY, JUNE 4, 2003

PLACE OF MEETING: VIA CONFERENCE CALL BY DIALING 310-312-5889, PASSCODE 9926#

Over the past few years, Verizon has been conducting state collaborative meetings in California, Hawaii, Illinois, Indiana, North Carolina, and Ohio regarding its Operational Support System (OSS) Performance Measures. These meetings have resulted in the adoption of a common set of OSS Performance Measures for use in each of these states. The Performance Measures and related processes are contained in a Joint Partial Settlement Agreement (JPSA) that is applicable in each such state. The JPSA for each state provides that a Joint Steering Committee (JSC) shall convene and determine whether an annual audit of Verizon's OSS is necessary, and if so, the scope of the audit.

The purpose of this notice is to apprise all participants, parties, and interested persons in these collaborative processes and proceedings of a settlement conference at the time and place indicated above to discuss whether an annual audit of Verizon's OSS Performance Measures should occur, and if so the scope of the audit. In informal meetings held thus far, most, if not all, participants have indicated that an annual audit of Verizon's OSS is unnecessary at this time. Verizon would like to suggest that an audit may not be appropriate at this time due to pending implementation of the California JSPA, but is happy to address that on this call. The meeting will be deemed a meeting of the JSC, and any collaborative participant, party, or interested person may join and be heard during the settlement conference.

This Notice is being served by direct mail on all active participants in each of the state collaborative processes, including all parties and entities on the current service list of Ohio Case No. 98-1398-TP-AMT Service List.

Sincerely,

Cassandra Cole
