In the Matter of the Application of Solar and )  
Renewable Energy Buyers Cooperative dba ) Case No. 02-1743-GA-AGG  
Soar Energy for Certification as a Retail )  
Natural Gas Broker and Gas Aggregator. )

ENTRY

The attorney examiner finds:

- (1) On September 2, 2004, the Commission issued Renewal Certificate No. 02-017 to Solar and Renewable Energy Buyers Cooperative dba Soar Energy (Soar) to provide retail natural gas broker and gas aggregation service. The expiration date for Certificate 02-017 was August 27, 2006.
- (2) On August 11, 2006, Soar filed a renewal application and a motion for an extension of the expiration date of its existing certificate. In its motion, Soar stated that, as a result of an inadvertent oversight, it failed to file its renewal application within the time frame set forth in Rule 4901:1-27-09(A), Ohio Administrative Code. Soar also stated that it has provided service to its customers without complaint and in order that it continue to provide service to its customers, Soar requests the Commission extend the expiration date of its certificate while the Commission reviews its renewal application.
- (3) The examiner believes that an extension of the expiration date of Certificate No. 02-017 to September 10, 2006, is warranted so that Soar's customers will not be adversely affected while its renewal application is under consideration.

It is, therefore,

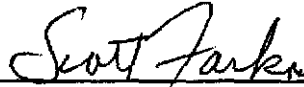

ORDERED, That Soar's motion for an extension of the certificate expiration date be granted. It is, further

ORDERED, That the August 27, 2006 expiration date of Certificate No. 02-017 be extended to September 10, 2006. It is, further,
