The special \$0.085 per minute rate is only available on a twelve (12) month term basis. Customers that participate in this offering will receive the special rate for 90 days. At the end of this period, the rates will revert to the rate schedule of the Message Toll Special Rate Plan.

If the customer terminates the plan prior to the expiration of the twelve (12) month commitment, the customer will be billed a lump sum termination liability of \$200.00.

At the expiration of the twelve (12) month term, the customer will have the opportunity to select another optional calling plan or the rates will revert to the "standard" intraLATA toll rate schedule.

The \$0.085 per minute rate is only applicable to customer-dialed station-to-station calls. Operator-handled and customer-dialed credit card calls are not included.
