RE: In the Matter of the Amendments of Chapters
4906-1, 4906-5, 4906-7, 4906-13, and 4906-15
of the Ohio Administrative Code
Case No. 98-577-GE-BRO

Dear Ms. Wissman,

The Board of Trustees and member companies of the Ohio Gas Association offer this letter as an expression of their support for the motion of Dayton Power & Light, Cincinnati Gas & Electric; Columbus Southern Power, First Energy, and Monogahela Power, filed in the above referenced case **FOR AN EXTENSION OF TIME FOR FILING COMMENTS.**

The Ohio Gas Association has worked with the staff of the Power Siting Board for over three years to simplify rules. We are now not being afforded proper time to circulate data and comments among our member companies. We respectfully request your re-consideration on this issue.

Sincerely,

Roy Rushing
Executive Director
