Dear Mr. Jennings:

As you are aware from your telephone conversation yesterday with Dan Conway, the parties in this proceeding are unable to submit a final, executed interconnection agreement to the Commission before Monday, March 24, 1997. The Commission previously instructed the parties to submit their agreement by today. Therefore, we respectfully request an extension of time until Monday for this submission.

Should there be any problem with this request, please contact me. Thank you.

Very truly yours,

Mark S. Stemm
