P.U.C.O. NO. 6
CENTREX SERVICE

C. REGULATIONS AND CONDITIONS (Continued)

8. Termination Liabilities shall be treated as follows:

- a. If the service is canceled by the customer after installation of the service, but prior to the completion of the service period, the customer shall be obligated to pay a termination liability charge. The charge is calculated by multiplying the monthly rate by the remaining months in the contract period times fifty percent.

Commission approval of the termination liability language is not intended to indicate that the Commission has sanctioned any particular legal result regarding termination liability and that should a dispute arise over this issue, the parties may pursue whatever legal remedies they deem appropriate.

- b. A customer who reduces the quantity of Centrex lines under contract has the following options for the duration of the contract period:
1. Continue to pay an amount equal to the monthly rate for the number of Centrex station lines that are disconnected under contract, or
 2. Pay termination charges as described in a. above on the number of Centrex station lines disconnected.

9. All exchange lines in a Centrex Group must have the same billing arrangement, either flat-rate or measured service (where offered).
10. Intercom calls between lines in a Centrex Group are not subject to local measured service.
11. When used with Call Forwarding or Call Transfer, the Centrex customer is responsible for the payment of the applicable toll charge for each billable call connected over the public network between the Centrex station and the station at which the call is answered. The charge is applicable to each call answered, including the Call Forwarding set-up call. It also applies to collect and person-to-person calls, which may be refused at the answering station.
12. This tariffed Centrex service does not include terminal equipment on the customer's premises. Terminal equipment may be covered under a separate tariff, contract, or may be provided by the customer.
13. Unless specifically exempted, Centrex service shall be subject to all general regulations applicable to the provision of service by the telephone company as stated in the general tariff.
14. It is at the Company's discretion to offer temporary suspension of Centrex Service.
