Morning Session

THE EXAMINER: The Public Utilities
has scheduled for this time and place Case No.
94-1864-TP-CSS being: In the Matter of the Complaint
of Thomas W. Eubank and Others, Complainants, versus
GTE North, Incorporated and Ameritech Ohio.

My name is Doug Jennings, I'm an
Attorney-Examiner. I've been assigned to hear this
case at this time.

Prior to this hearing I was contacted by
counsel and a letter was faxed to me advising that a
motion to compel would be forthcoming -- I mean, a
motion for continuance would be forthcoming. That
motion was preceded by a motion to compel filed on
behalf of GTE North.

On November 9th the Complainants --
counsel for the Complainants filed a motion for a
continuance which states that there is no objection by
either counsel for Ameritech or GTE, and find the
motion for continuance to be reasonable.

This hearing shall be continued to

1 Wednesday, January 31st, 1996 at 10:00 here at the

3 held in abeyance pending the Complainants' preparation
4 of responses to interrogatories that have been served
5 by GTE North. There being nothing further, this matter
6 will be continued to the previously mentioned date.
