AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an ^{VP} ~~officer~~ of the applicant corporation, ALLTEL COMMUNICATIONS and am authorized to make this statement
(Name of Company)
on its behalf. I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

him/her. By flashing the switchhook, the customer can transfer to the new call while holding the original connection. Subsequent flashes of the switchhook will transfer the customer back and forth between the two connections. Only one call can wait at a time; any other calls will receive a busy tone.

B. Call Waiting/Cancel Call Waiting

This service allows a Call Waiting customer to prevent, on a per-call basis, any incoming Call Waiting calls on the customer's line. Incoming calls to the access line will receive a busy signal for the duration of the call. Cancel Call Waiting is automatically deactivated at the end of the call. If a customer subscribing to Call Waiting elects to convert to Call Waiting/Cancel Call Waiting, a Subsequent Service Order Charge, as specified in S16.1.1.B of this Tariff, will apply.

C. Three Way Calling

This service permits a customer to add a third party to an existing connection. The customer initiating the conference is in control of the connection and cannot hang up without terminating it. If desired, he/she may disconnect the third party from the conference or have private consultation with him/her before establishing the conference.

D. Call Forwarding

This service provides the customer with the ability to automatically forward call of his/her incoming calls to another station. The Call Forwarding customer is responsible for any applicable local or toll usage charges. (C)
