One Choice® Basic Package provides residential Customers in Ohio with local and long distance calling for a flat rate. In order to subscribe to One Choice® Basic Package, the Customer must select VTI as the primary service provider for local exchange, intraLATA interexchange and interLATA interexchange telecommunications services. 3.0 SERVICE DESCRIPTIONS (Continued)

3.2 Basic Residential Local Service (Continued)

3.2.8 One Choice® Basic Package

One Choice® Basic Package provides residential Customers in Ohio with local and long distance calling for a flat rate. In order to subscribe to One Choice® Basic Package, the Customer must select VTI as the primary service provider for local exchange, intraLATA interexchange and interLATA interexchange telecommunications services. Furthermore, the Customer must select one of the following two long distance service plans: One Choice® \$.05 Plan or One Choice® \$.03 Plan as described in Sections 3.44.1 and 3.44.2 of VTI's P.U.C.O. Tariff No. 4 "Telecommunications Services Tariff." Rates and charges for the One Choice® Basic Package may vary based on the Customer's selected long distance calling plan. The availability of One Choice® Basic Package to the Customer may be restricted based upon both VTI's access to services through the incumbent local exchange carrier and the Customer's creditworthiness as determined by information contained in a credit bureau report received from a credit reporting agency.

One Choice® Basic Package is a bundled service package which includes Basic Residential Local Service as described in Section 3.2 and the following three Call Management Features: Caller ID as described in Section 3.4.11, Call Waiting as described in Section 3.4.10 and Three-Way Calling as described in Section 3.4.13. The Customer will also receive 200 minutes of domestic long distance usage subject to the Customer's selected long distance plan, and any additional long distance usage beyond the included minutes will be billed according to the same selected long distance plan. The included long distance usage does not accumulate on a month-to-month basis, and no credit will be given to Customers who do not use the included minutes.
